THUNDEROSA (ATX)

There are times when a man needs nothing more than a blast of beer chugging rock music, and that's exactly what you get from Texas band THUNDEROSA as they turn up the volume on their EP modestly called, Best Damn EP...EP. Its heavyweight guitars to the fore and rock 'n' roll sentiments all the way with subtlety discarded in favor of Jack Daniels and another pack of cigarettes. Making as much noise as they possibly can, THUNDEROSA snarls the prison blues in “38 Special Love Affair”, and take us on a Lynyrd Skynyrd meets AC/DC

trip with “Long Black Train”.

And that's just about it. Five songs of blue collar rock that just gets better with every beer. All I need now is a low rent woman and fight (and how often do those two things go together?), “Bluesbunny Music Reviews-Glasgow”. “The Sound Track to an Ass Whoopin! Honest and unmerciful”. Quality arena rock, at dive bar prices.

THUNDEROSA is one of only 14 Jäger sponsored bands in the state of Texas. Jägermeister receives over a hundred requests from bands each week so THUNDEROSA is truly one of the elite! When you book a Jägermeister band you have a built in crowd pleaser. While THUNDEROSA is performing, your event will be supplied with merchandise that ranges from t-shirts, ball caps, lanyards, shot glasses, and a multitude of other complimentary items that helps create excitement and draws crowds during the band's performance. Additionally, you can request other services from Jägermeister for your event such as the Jägermeister Girls and the Jägermobile (based on availability). You are always guaranteed a GOOD TIME!

THUNDEROSA has played with several national acts such as Adler's Appetite, Rev. Horton Heat, Nashville Pussy, Southern Culture on the Skids, Texas Hippie Coalition, Mike Ness (Social Distortion), Brand New Sin, ZEKE, Hank III, Jackson Taylor & The Sinners, Hed PE, and Chevelle. These shows have spanned the country from NY to CA.

“We put on the best show. We rock harder than anybody. We pour our guts out on stage ... You never know what to expect. But you know you're gonna get a kick-ass balls to the wall rock and roll show”
